FAIR TRADE CERTIFIED

Celebrate BC Veggie Day (May 23) with our retail display contest which runs from May 16-22, 2015.

Simply build a greenhouse display featuring SunSelect or Oppy branded peppers and cucumbers with POS and enter two contests with one display photo (one contest is sponsored by Oppy and the other by the BC Greenhouse Association).

How to Enter:

Create a big, bright display using your greenhouse vegetables and supplied POS to be entered into our random drawing. Feel free to also use your creativity as you wish.

Note: display must include SunSelect peppers and/or cucumbers, or any greenhouse products you buy from Oppy. Other greenhouse brands/items are allowed as long as there are SunSelect products in the display.

Take a photo and email to:
